CERTIFICATE OF ANALYSIS OF FINISHED PRODUCT

Certificate Number	Product Name	Owner of Product
490/25	VITAMINA B COMPLEX	NUTRAMIS SRL

Batch Number	Production Date	Expiry Date
BC250617	17/06/2025	07/2028

Product Category	FOOD SUPPLEMENT FOR HUMAN USE
Storage Conditions	15-25°C, 35-60% RH

APPEARANCE

Pharmaceutical form	TABLET
Primary Packaging	PILL JAR
Secondary Packaging	N.A.
Accessories	N.A.

Declaration of Compliance

We hereby declare that this product is a food supplement as defined by Directive 2002/46/EC of the European Parliament and of the Council of 10 June 2002. This product complies with the specifications of the Codex Alimentarius, with European food legislation with Regulations (EU) 178/2002, 852/2004 and 382/2021, and with HACCP, GMP and GHP criteria. The testing laboratories that performed the checks are aligned with the UNI CEI EN ISO 17025:2018 standard.

MICROBIOLOGICAL TESTS

Test	U.M.	Method	Result	Limits*
Total Aerobic Microorganisms	c.f.u./g	ISO 4833-1	< 10	≤20.000
Total Moulds-Yeasts	c.f.u./g	ISO 21527-2	< 10	≤200
Enterobacteriaceae	c.f.u./g	ISO 21528-2	< 10	≤200
E. coli	c.f.u./g	ISO 16649-3	Absent	Absent
Salmonella	c.f.u./g	EU.PH	Absent	Absent
Staphylococcus aureus	c.f.u./g	EU.PH	Absent	Absent

*In accordance to acceptance criteria for microbiological quality of non-sterile dosage forms (Eu.Ph)
